

Streams of Living Water

Occupational Safety and Health Policy

Goals

This policy:

- states that Streams of Living Water is committed to providing a workplace where no injury or work-related illness is considered acceptable. All activities are undertaken ensuring that Health and Safety is the first consideration in all situations.
- aims to remove or reduce the risks to the health, safety and welfare of all employees, contractors and visitors, and anyone else who may be affected by our operations
- aims for every day to be a safe day.

Responsibilities

Managers and Co Ordinators will provide leadership providing and maintaining:

- a safe working environment
- safe systems of work
- facilities for the welfare of all employees, participants and visitors
- any information, instruction, training and supervision needed to make sure that all are safe from injury and risks to their health
- continual consultation on Health and Safety matters

Employees are responsible for:

- ensuring their own personal health and safety, and that of others in the workplace
- complying with any reasonable directions (such as safe work procedures, wearing personal protective equipment) given by management for health and safety

We expect visitors and contractors to:

- to comply with all policies and procedures and maintain standards as though they are employed directly by Streams of Living Waters

Ensuring Compliance

Compliance to our legislative obligations is mandatory to ensure the Health and Safety of all people associated with our organisation.
